Dear Mike,
How can we get WER a nice visibility to this premier crowd of 600 Tennessee enviros?
① "2 - 3 year subscriptions to WER"?
② 1 package of catalogue + 10 year book?
③ 1 set of X # of back issues?
④ Plus send along maybe ~~50~~ (25) sample copies to giveaway.

Other thoughts? We have over 300 items + all get bought, so it's very cool to send several. Nice visuals, like "back issues" are always good letters in this environment.
Thanks!

We invite you to participate in a very special environmental event - A **Green Tie Affair**! This annual fundraising auction and party benefits the Tennessee Environmental Council (TEC), a coalition of dedicated Tennesseans working to protect our environment and public health.

For twenty-five years, TEC has been dedicated to seeking long-term solutions to Tennessee's environmental issues. Our focus is to prevent the pollution of Tennesseans' most precious natural resources - the air we breathe and the water we drink.

Your consideration to donate an **item** or **service** to the Green Tie Affair will build our financial strength and sustain our efforts to make Tennessee a clean and healthy state. Last year over 400 businesses donated a wide variety of goods and services to the Green Tie Affair.

This year, the Auction will be held on March 16th, 1996 at the Vanderbilt Stadium Club in Nashville. The Green Tie Affair will have both a silent and live auction. The silent auction will incorporate items or services valued at $35.00 or more. The live auction will be the highlight of the evening and is limited to 10 exclusive, creative, and exciting items.

As a Donor to the Auction you will receive the following acknowledgment:

1. You will be listed in the Auction Brochure.
2. Two complimentary tickets to the Auction are available to you or representatives of your business if the value of your donation exceeds $100. For an item with a value between $35 - $99, you will receive one complimentary ticket to the Auction.

On behalf of the Tennessee Environmental Council staff, board and volunteers, I want to thank you for your consideration. If you would like to participate in the 1995 Green Tie Affair, please return the attached Donation Information Form as soon as possible. TEC's knowledge, networks and organizational skills have made effective use of dollars raised to protect Tennessee's environment and public health.

I look forward to talking with you,

Joel

WHOLE EARTH REVIEW

January 10, 1996

Joel Solomon
Fax 615-297-5565

Dear Joel:

We're putting together some things to send to the Tennessee Environmental Council's Green Tie Affair auction.

We'll also assemble some sample copies for you to give away. Should we send the sample copies directly to you, so they won't get mixed up with the auction items?

It's also been about three weeks since I wrote Norine MacDonald about the $350 finance charge on our printer payment, which I understood Endswell would pay. I haven't heard from her. Should I push that more, or is that a normal sort of turn-around time for them?

Thanks,

Michael K. Stone
